Correction to: Drug Safety

<https://doi.org/10.1007/s40264-019-00797-3>

In the original publication of this article, the following correction should be noted in Table 5.

The 95% CI for serious infections in the Ustekinumab –MTX group under PsA should read 0.8–3.5 and not 0.8–3.5.5.
